Carolina Culture

9109 Johnson Mill Road | Bahama, NC 27503

Join us at Carolina Culture to meet farmer Cindy Hamrick and her small herd of Jersey cows. Cindy milks the cows once-a-day to make local yogurts, kefir and smoothies in small batches. The cows spend the rest of the day grazing through pastures and eating organic feed. Carolina Culture is the only local yogurt company in North Carolina.

Located about 20 minutes north of Durham, NC
